NEEMA HOSPITALITY EXPANDS PORTFOLIO BY ACQUIRING TWO PITTSBURGH-AREA HOTELS, THE FAIRFIELD INN & SUITES BY MARRIOTT AND THE HOLIDAY INN EXPRESS & SUITES

(Mechanicsburg, PA) – Neema Hospitality, a hotel ownership and management company, announced today that they purchased the Fairfield Inn & Suites located in Slippery Rock, PA and the Holiday Inn Express & Suites hotel located in Canonsburg, PA. Both hotels are located in the Pittsburgh metro area.

The 75-room Fairfield Inn & Suites is located north of Pittsburgh next to Slippery Rock University and minutes from the Grover City Premium Outlets. Prime amenities include a complimentary hot breakfast, free WiFi, in-room microwaves, in-room refrigerators and an indoor pool.

The 90-room Holiday Inn Express & Suites is located south of Pittsburgh in Canonsburg, PA within the Southpointe Business Park and minutes from the Meadows Racetrack and Casino. The hotel's rooms offer microwaves, refrigerators, 42 inch flat-screen TVs and free breakfast and WiFi. The hotel is equipped with a large heated indoor pool, patio with a fire pit and over 1,600 square feet of meeting space.

“We see Western Pennsylvania as a market that is growing,” said Sandeep Thakrar, President of Neema Hospitality. “The purchase of the Fairfield Inn & Suites by Marriott and the Holiday Inn Express & Suites enhances our presence there and enables us to support our assets and resources to position us to continue to expand our portfolio in the Mid-Atlantic region.” The purchase of the two assets over the last few months increases the Neema Hospitality portfolio to eleven hotels across Pennsylvania, Maryland and West Virginia.

Each year, the entire portfolio, including the two new locations, work with Accelerate Brain Cancer Cure, a non-profit research organization, to raise awareness about brain cancer. Neema Hospitality donates \$5 per room per night during their Summer charity promotion from Memorial Day to Labor Day.
